E-Newsletter
April 2026

We made it—it's officially spring! After a winter of record snowfall, we are looking ahead to sunshine, time outdoors, and the satisfaction that comes with a seasonal reset. This newsletter is filled with reasons to celebrate, along with a free resource for caregivers. We invite you to read on and learn more.

Staff and Associate Milestones

Sam joined Remarkable as our new Experience and Engagement Specialist. Sam will play a key role in creating meaningful, engaging, and memorable experiences for our participants, staff, families, and community. From coordinating major fundraising events to planning fun and enriching program activities, Sam's work will help bring energy and connection across all areas of Remarkable. Welcome, Sam!

March's Participant Excellence Award winners were David and Liz. David helps out on the JJ Keller Enclave and does amazing work at Remarkable. Liz is a great friend to everyone and is always on time. She's a hard worker and always remembers to clean her work area. Congratulations, Liz and David!

Connie and Karl celebrated milestone anniversaries with Remarkable in March (10 and 5 years, respectively). Their dedication, hard work, and commitment have made a meaningful impact on our organization and the people we support every day. Thank you, Connie and Karl, for being such an important part of our team!

March Remarkable In Action Awards:

- Mark (Day Service Mentor in Neenah) is always prepared, helpful, and observant.
- Kim excels as our new CPR/First Aid Trainer and Day Service Lead in Oshkosh.
- Rena leads our front office with compassion, reliability, and friendliness.
- Isabella exudes enthusiasm, curiosity, and competence as our new Youth Employment Specialist.

Day Services Story

Snow couldn't stop the celebration! Even after the blizzard, we felt so lucky on St. Patrick's Day! Our participants and some adorable four-legged friends showed up in their St. Patrick's Day best, bringing smiles, laughter, and a whole lot of green spirit to brighten the day.

From wagging tails to festive outfits, moments like these remind us how powerful joy, connection, and community can be—no matter the weather.

Pre-Employment Story

Special thanks to Piggly Wiggly (Wisconsin & Illinois) for partnering with Nathan to support his temporary work experience! In collaboration with DVR, Nathan's Employment Specialist worked with the managers at Piggly Wiggly to make this opportunity possible. Nathan is learning valuable skills like bagging groceries and facing shelves.

Way to go, Nathan and thank you, Piggly Wiggly, for your support!

Community Art Story

Kyle at Jewelers Mutual Group gave our Community Art Group a wonderful tour! He explained numerous kinds of gems, minerals, stones, diamonds, gold, fossils and even meteorites! We learned so much about how where beautiful pieces come from and what they might be used for! Who knew that fluoride from fluorite?

We are so appreciative to Jeweler's Mutual for hosting us for this tour and can't wait to see what this inspires in these artists!

Mock Grocery Shelves Filled

Thank you to everyone who has donated boxes and expired food products to our grocery store module. Our shelves are now full, and **we no longer need additional donations**. Thank you for helping us fill this need!

Caregiver Resource

Lakeland Care is sharing a free resource for caregivers called Pyx Health for Caregivers. This program is available to both paid and unpaid caregivers and is designed to help reduce loneliness, stress, and caregiver fatigue. Through Pyx Health, caregivers can connect with trained support staff, explore tools for emotional well-being, and access helpful community resources.

See flyer below!

Support is available through a smartphone, tablet, computer, or by phone, making it easy to use in whatever way feels most comfortable. Caregivers can enroll by downloading the Pyx Health app or calling 1-855-499-4777 (TTY: 711) and using partner code lakeland. Please see the flyer below to learn more.

As we embrace this season of sunshine, fresh energy, and renewal, we are grateful to share these celebrations and resources with you. Thank you for being part of our community. We wish you a wonderful spring filled with brighter days ahead.

Sincerely,

Your Friends at Remarkable

P.S. Rob, ever the good sport, received pie in the face on Pi Day to celebrate Remarkable reaching 1000 Facebook followers! Please follow us and invite your friends!

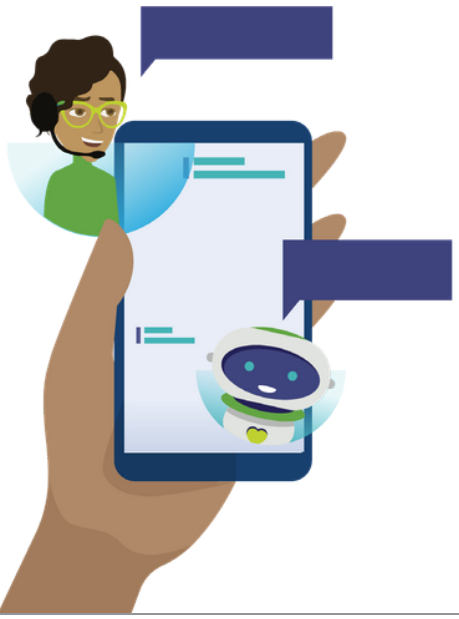
LAKELAND CARE
Together, we build better lives.

Uplifting support for caregivers

A free program for caregivers in our community

As a caregiver, you face unique challenges and stresses. While caregiving has its rewards, it comes at a cost.

That's why we're offering caregivers a free program of support for help with loneliness and isolation, stress, and caregiver fatigue. The friendly staff and easy-to-use app support you with compassion and practical help.



- ***Free, unlimited calls to our trained staff who understand the challenges of caregiving***
- ***Activities and tools to support you as a caregiver and help you feel less alone***
- ***Access to resources like respite care, support groups, and more***

You're not alone. We encourage you to sign up for the Pyx Health program using code 'lakeland.' When you're supported with compassion and understanding, you and the one you care for benefit.

Download the Pyx Health app on your phone or tablet to get started.
No smartphone? You can also sign up by phone or web.
